Sir:

This has reference to the Notice of Allowance and Fees Due.

Enclosed is the Applicant's payment for the Issue Fee and the Publication Fee. Applicant originally filed the application as a small entity, and the Official Filing Receipt was issued for a small entity. However, on August 5, 2002, Applicant submitted a further payment to the United States Patent and Trademark Office to cover the difference in the filing fees from small entity to large entity. Consequently, as Applicant is claiming large-entity status, payment of the Issue Fee is made on the basis of a large entity.

Respectfully submitted,

Alexandre A. POLLAK et al.
